

The map shows the layout of The Center for Space Education building. Key areas include:

- Employee Parking Lot:** Located on the left and top-left sides of the building.
- Rocket Garden:** Located at the bottom left.
- Annex:** A yellow rectangular building at the top right.
- Learning Launch Pads:** Three yellow rectangular buildings labeled "Learning Launch Pad A", "Learning Launch Pad B", and "Learning Launch Pad C" are located to the right of the Annex.
- Space Launch System (SLS) and Saturn V:** Two large yellow rectangular buildings in the center.
- Exploration Station Help Desk:** A yellow rectangular building located below the SLS and Saturn V buildings.
- Main Entrance:** A red rectangular area at the bottom center.
- Restrooms:** Several green rectangular areas are scattered throughout the building.
- Emergency Exit:** Red rectangular areas are located on the right side of the building.
- North Arrow:** A black arrow pointing right, labeled "North", is located at the top right.
- Entrances:** Red rectangular areas labeled "Entrance" are located at the top center and bottom left.

The Astronauts Memorial Foundation
The Center for Space Education Building (M6-306)
